

Town Of Brighton Hit Hard By Bong Base Cancellation

BRIGHTON, Wis.—How to get taxable property taken by the federal government for Bong Air base back onto the tax rolls is the major problem in the town of Brighton these days.

The air force several weeks ago cancelled the contract for building the air base after about \$15,000,000 had been spent on the job.

The burden of the Brighton town taxpayers has increased greatly since the air force acquired the land. Their taxes, in many cases, have more than doubled.

These have been due chiefly to higher school costs and loss of taxable property to the federal government.

Ninety-nine parcels were taken for the base site by the air force with the 1956 real estate taxes on these amounting to \$13,158. This was 22 per cent of the town's total real estate levy of \$58,851.

In addition, these 5,400 acres on the site aren't producing any tax revenue to the town.

A few examples of how taxes have risen, due partly at least to a rise in school costs, is one parcel assessed for \$10,125. Taxes for 1956 were \$503 but in 1958 they had risen to \$1,357.

Another parcel was assessed at \$7,800. Taxes went from \$387 to \$1,045 in the same period of time.

The school tax on the first parcel of land in 1956 was \$124 and two years later it accounted for \$812 in taxes.

Whitley school bought a \$5,000 trailer in which to hold classes, mainly for children of air base workers, with the hiring of a teacher, buying new books, seats and the like, having to be done from scratch.

Transportation costs went up due to more children and the fact the school bus had to swing way around the base site.

Whitley school district was inactive last fall when the trailer was purchased and a new building is being planned to house about 300 students.

Grass Lake PTA Plans Remodeling Of Stage

The regular meeting of the Grass Lake PTA was held Monday, Oct. 19, in the school.

In the business meeting, the members decided on remodeling of the stage as their project for the year.

President Mrs. Wilbert Schaefer discussed a roller skating party for Grass Lake pupils and families, to be held Saturday, Oct. 24, from 1 to 4 p.m. at Twin Lakes.

Mrs. Cecil Smith won the room count.

An interesting panel discussion on PTA convention was given by Mrs. Walter Johnson, Mrs. James Ferrier and Mrs. Earl Beese.

TB Skin Testing Clinics Scheduled At Wilmot, Central High Schools

Wilmot and Central high schools in Kenosha county will be among the places in that county where tuberculin skin testing clinics will be held next month, senior county nurse, Isabel L. Larsen announced Wednesday.

Rural children in grades 1, 4, 7, 10 and 12 will be offered the skin testing as part of the school and community program, she said.

Testing will be done by members of the Kenosha County Medical society.

"The tuberculin test is a simple, harmless way of finding out whether or not the TB germs have entered the body," the school nurse stated.

"It is possible with routine, periodic tuberculin skin testing coupled with periodic examination by the family doctor, tuberculosis will cease to be a major public health problem."

"Follow-up is the most important single aspect of a tuberculin testing program. Public health nurses give priority to this activity which includes home visiting and referral."

Wilmot high school will be the scene of the Monday, Nov. 9, skin testing clinic from 9 to 10:45 a.m.

Trevor students will be there at 9, Wilmot graded at 9:30, Holy Name at 9:45, Riverview at 10 and Wilmot high at 10:15.

Central high of Salem sophomores and seniors will report at 8:10 a.m. Tuesday, Nov. 10 for the first students to report at the school on that day.

Paddock and Mound Center pupils will have their tests at 9, Whitley, Lincoln Rural, Minx and Pikesville at 9:15, Hazel Dell, South Bristol and Bristol State, graded at 9:30, St. Francis and Woodworth at

Some Pictures, News Crowded Out Of Paper

Several news items, rural correspondence and photographs that were planned for inclusion in this week's edition of the ANTIOCH NEWS were crowded out the last minute and will be held for publication at a later date.

Among them are "Antioch High Notes", pictures of football games at Round Lake and Wilmot and of the Emmons school first grade class.

No School Sign To Be Out Here

Antioch and vicinity schools will join others in this and nearby Illinois counties in calling a holiday for Friday, Oct. 23.

Occasion is the annual meeting of the North Lake division of the Illinois Education association to be held starting at 8:30 a.m. in Waukegan Township high school for kindergarten through sixth grade teachers.

Sessions for teachers of seventh through 12th grades will be held in the Highland Park high school at the same time.

Morning meetings will be for all teachers who are members of the Illinois Education association.

Afternoon sessions at North Chicago will be for delegates and officers only.

Following speeches by several educators, teachers of both the younger children and the older will conduct discussions in all subject areas from 11 a.m. to 1 p.m.

Trevor Girl Injured In Sunday Accident

TREVOR, Wis.—Charlene Rupp, 13, of Trevor was reported injured early Sunday morning when an auto being operated by Richard B. Perry, 20, of route 2, box 492, Kenosha, struck two parked cars in Trevor.

According to Kenosha sheriff's department officers the accident took place about 1 a.m. Sunday in front of the Trevor fire station.

Miss Rupp, daughter of Mr. and Mrs. George Rupp, Sr., of Trevor, reported suffering a bruise on her forehead, shock and bruises on her neck, arm and shoulder.

Perry told officers of injuries to his mouth, chest and knees.

Perry's auto struck the Rupp vehicle in the rear, pushing it into a third car owned by Melvin Glemaker of route 1, Trevor. The latter car was not occupied.

TB Skin Testing Clinics Scheduled At Wilmot, Central High Schools

Other TB skin testing clinics in rural Kenosha county are scheduled at Wheatland Center school from 9 to 10:30 a.m. Monday, Nov. 16; at Prairie Lane school from 8:30 to 11 a.m. on Monday, Nov. 23, and at Hillcrest school from 9 to 11 a.m. on Tuesday, Nov. 17.

Married Couples Schedule Party At LV's Church

LAKE VILLA — The Masters and Mates, the married couples club of the Lake Villa Community Methodist Church will have a masquerade party in the church fellowship hall at 8 p.m. Saturday, Oct. 24.

There will be refreshments, games and prizes for the best costumes. Mr. and Mrs. Delbert Black, and Mr. and Mrs. Harold Newyear are co-chairmen for the event.

All married couples in the church are invited to join in the fellowship and fun.

A special union service for the Week of Prayer and Self-Denial will be held in the sanctuary at 1:30 Wednesday, Oct. 28. Members of the Women's Societies of Christian Service from Lake Villa, Antioch and Ingleside Methodist churches will take part in the program.

Presiding will be Mrs. Gerald B. Robinson, secretary of spiritual life of the Lake Villa church. Mrs. Wallace Anderson of Antioch; and Mrs. James Hagerty of Ingleside will give meditations.

Other women taking part will be Mrs. Leo Ottosen from Ingleside and Mrs. W. C. Petty of Antioch. The public is invited.

Hearing Date Nov. 12 For Local People

WAUKEGAN — Thursday, Nov. 12, has been set as the date for hearing preliminary motions in Lake county circuit court in connection with the indictment of six Antioch residents following a seven-month gambling probe.

Judge Mel Abrahamson of DuPage circuit court has been assigned to hear the case after Lake county circuit judge Bernard M. Decker granted the defendants a change of venue.

It was seen possible the cases would go to trial in December.

Judge Decker's assignment of the cases came over strong objections raised by attorneys Robert C. Nelson of Libertyville and Frank G. Whalen of Chicago representing the Antioch people.

Six Antioch people involved are mayor Murrill W. Cunningham, city police chief Walter Scott, police commissioner Herman Holbek, Russell Holtz, operator of an Antioch tavern; James Fields, operator of another tavern, and Thomas Griffin.

Judge Decker has given the three businessmen 10 days in which to file motions for quashing the indictments. The city officials filed theirs last Thursday.

The Antioch officials claim that the pertinent grand jury was improperly selected according to Illinois, they were obliged to testify against themselves, the grand jury solicited funds from Lake county citizens for certain expenses.

The motions also charged that the grand jury permitted a private investigator to appear before it as a private prosecutor and such appearance "invaded the secrecy and sanctity" of the grand jury.

Census takers will be paid 7 cents a mile for official travel.

Mrs. Florence Dexter

Trevor Woman To Be Hostess

TREVOR, Wis.—Mrs. Florence E. Dexter, postmaster at Trevor, will be head hostess during "John Snyder" night of the 52nd annual national Association of Postmasters convention in Washington, D. C. next week.

Mrs. Dexter has been active in state postmaster organization and is one of five on the educational committee of the national association. She is chairman of the state committee on education of the postmasters.

Last year she was on the national by-laws committee and is a past officer of the state association.

Lady postmasters from every state of the union will work with her at the "John Snyder" night to be held Oct. 25.

Postmasters from Wisconsin will campaign for John Snyder who is seeking the post of president of the national association.

"Wisconsin Hospitality Night" will be Oct. 27 when Wisconsin products such as beer, cheese and crackers will be served.

Mrs. Dexter is a graduate of Antioch high school.

Census Takers Are Needed In Antioch Sector

Applications for employment as census takers for the 1959 Census of Agriculture in Lake county will be accepted beginning Oct. 23.

Persons interested in these jobs should notify Mrs. Charlotte M. Queen at Rt. 1, Box 309, Antioch, who is serving as crew leader for this area.

The crew leader can be reached at Antioch 105-M2.

Applicants for census taking jobs must be citizens of the United States, have a high school education or furnish evidence of comparable experience, be in good physical health and of excellent character and be at least 18 years of age.

They must have sufficient financial resources to sustain themselves for approximately four or five weeks from the date of appointment until they receive their salary check.

Applicants with veteran preference who meet all requirements will be given priority over non-veteran.

Farm census job applicants must be licensed to operate and must provide a privately-owned automobile in good condition.

Census takers will be paid 7 cents a mile for official travel.

School Board Talks Building

There was little question of what would be the prime topic for discussion at the monthly meeting of the Antioch Township high school board this week Wednesday evening in the school office.

What to do now regarding a high school building was still a question in the board members' minds.

The school district voters recently voted 2-1 to defeat a bond issue that would have financed a new building, purchase of land and equipment at the junction of the Loon Lake and Deep Lake roads.

That had been the proposal of the high school board and a committee named by the board to recommend what should be done to take care of the expected influx of pupils over the coming years.

Opponents of this plan suggested an addition to the present building in town, renovation of the old structure and a tunnel under the Soo railroad tracks to connect the school district owned property on both sides.

It was reported unofficially early this week that a group that was organized after the bond issue was defeated nearly two weeks ago would meet with the board this week.

What this committee might have offered was not known definitely.

In any case, the school board did have a pile of business to take up that had been put aside while it considered the building question.

A meeting of the grade school board scheduled for this week Tuesday evening was postponed to 8 p.m. Tuesday, Oct. 27.

This was done when it was found illness and members being out of town would have prevented a quorum from being present.

Executive Boards Govern Classes

This year an executive board has been elected to represent each class. The board members each represent ten students within their classes at Antioch High.

The purpose of the various boards is to arrange dances, get workers for football and basketball games, and to organize and arrange other school activities.

The executive board members are as follows: Freshmen—Amy Lee Albert, Darlene Alshouse, Cindy Brenna, Dixie Brown, Linda Caldwell, Kathy Hehn, John Horton, Barbara Johnson, Pamela Meyer, Lynn Ott, Rosa Pleviak, Bill Puckett, Ken Shewan, Jane Strang, Judy Turner, Harleen Young, Terry Young.

Sophomores—Ken Anderson, Frank Nauseda, Gordon Blumschein, Jim Sheehan, Ronald Gabie, Rick Mozal, Jerry Mathews, Joseph Downs, Ray Partipello, Victoria Kopach, George Hogan, Toby Henry, Ron Verkest, Dave Bonner, Joe Pleviak, Carole Plotzke, Karleen Rookow, Joe Gates, Phyllis Kopriva, and Judy Vejvoda.

Juniors—June Dressel, Pam Drucker, Jan Duha, Brian Elliott, Sue Gilday, Carole Gundelach, Lorraine Gibbons, Les Herbst, Diane Jars, Ed Martin, Brian Palenske, Pat Papiese, Jackie Ruhl, Jim Ruhl, Chuck Schut, Diane Sherwin, Peggy Tegeleman, Jack Thompson, Ron Vejvoda, and Paul Worsley.

Seniors—Richard Prange, Nancy Frank, Nancy Schr, Trudy Good, Sue Du

Antioch "Dresses Up" This Fall

Antioch village and Lake county workers have been "dressing up" our village streets and nearby roads of late with new pavement, some new curbing in spots and now bright yellow lines to mark parking spaces, no parking spots and the like.

The work certainly has brightened the looks of the community with a smoother Main street and route 173 east of the village and to a point just west of the community.

The Antioch village board learned just the other day that plans call for the village to improve some sidewalks in the village before the snow flies this winter.

Illinois Bell Telephone Co. has been installing underground conduits along route 39 and the Grass Lake road and the other day workmen were seen doing similar work along the Deep Lake road south of route 173.

A ski-toboggan slide is planned for just north and east of Antioch to start this winter and a new gasoline station is going up near the First National Bank of Antioch on Main St.

These are cited as just a few of the visible signs that Antioch improves its appearance and its thoroughfares in the fall as well as during the warmer months of summer.

Adult School Is Opened At Wilmot High

WILMOT, Wis.—Classes for the adult evening school at Wilmot high school will meet Wednesday evenings with students in the various courses required to buy textbooks if needed and pay for any material used.

Registrations for the school were held this week Wednesday evening and the first classes began that same evening.

Students residing in the Union Free High school district a fee of \$2 will be returned if attendance has been 75 per cent or better, principal M. M. Schnur announced.

Fees paid by non-residents will not be returned.

Instructors will include Ruth Miller in clothing for women who desire experience in sewing, pattern

layout, construction processes and fitting.

Health and physical education classes will be led by Frank Bucci with calisthenics and light apparatus work featured.

Instruction in the farm night school will be given by Chester Knight. Farm laws, crop forecasts, price outlook and the like will be discussed.

Schnur will present the course on economics, government and taxation.

Bookkeeping covering a variety of subjects will be offered by George Brieske, who also will instruct a class in typing.

Richard Heigi will lead a class in photography with use of the camera, and other photographic equipment featured.

Harvest haste, long working hours and revolving gears, belts, shafts and husking and snapping mechanisms of harvesting equipment make it easy for the careless farmer to have an accident. Be careful. Keep your harvest free from accidents this fall.

Roller Skating Party And Dance Planned By Channel Lake Group

By Pearl Kapell
Channel Lake Correspondent

CHANNEL LAKE—The Community club met on Oct. 13 at the school.

Pat Harland reported that she had not been able to obtain comparative prices on a food mixer for the school kitchen as yet, so the matter of purchasing a mixer was put off till the next meeting.

It was decided that the club would purchase a reconditioned, used typewriter to use in getting out the Channel Lake Community club bulletin. It has been necessary in the past to borrow a typewriter.

The matter of a Hallowe'en party and march for the school children was brought up and abandoned because of lack of volunteers to assist in the work.

The date of the next roller skating party was set as Nov. 12. It was decided that a square dance party would be held in the near future.

Pat Harland was appointed chairman to make arrangements for the dance.

Frank Foulis is a patient at Victory Memorial hospital.

STEPHEN RYZSKO is on the sick list, and is confined to his home. He's in traction to relieve pressure on a nerve.

Our apologies to little Debby Smith. We missed her birthday party on Sept. 17.

Mr. and Mrs. Donald Marcusson are moving back to Channel Lake area Nov. 1. She's the former Mae Jerde. They'll be living on Rte. 173, in Les Lindberg's cottage.

Jim Portalski left Oct. 14 for two weeks vacation in Lumberton, North Carolina. He made the trip with his aunt, Mrs. E. W. Flint of Chicago, and Lumberton.

Six of the boys from Boy Scout Troop 86 completed requirements for merit badges in masonry on Oct. 17, when, under the direction of Russell Roepenack, they built two brick piers for lamp posts.

The boys previously had visited quarries and studied stones of various kinds, learning the characteristics of each variety. They had also laid brick sidewalk.

The boys completing the work in this category were Dean Dowell, Roger Eberman, Joe Ring, Albert Gruidl, Mike Roepenack, and Kenneth Buell.

The George Bains of Old Lyme, Conn., and Deerfield Beach, Florida, and their daughter, Mrs. Shirley Camie and son, Gregory, visited last week at the Dale Bartley's and the James Bain's.

Timmy Hucker celebrated his 12th birthday Saturday, Oct. 17. He went bowling with his mother, father and brother Saturday after-

noon, and in the evening many friends dropped in to wish him a "Happy Birthday." Among those present were Ann and Dale Bartley, June Ivie, Mary and Dorothy Chase, Barbara and Mrs. Koziol.

MR. AND MRS. David Runyard, Mr. and Mrs. John Runyard and Tom Potter spent the weekend deer hunting at Neseadah, Wis. They hunt with a bow-and-arrow, which may explain why they didn't get any deer.

Mr. and Mrs. Lee McKinney and children, Mark, Bruce, Susie and LuAnn, visited Dan Runyard at Great Lakes on Saturday, Oct. 17. This was the first weekend the boys could have visitors. Mr. and Mrs. Tom Runyard, Kathy, and Mary Runyard and Paul Magiera visited

Dan Sunday. Everyone reports he's Hale, hearty and happy.

Mr. and Mrs. Paul Zeien and children, Kathleen, Michael, Helen and Pat, and Miss Mary Wertz visited Joe Zeien at Great Lakes Saturday. Mary visited him Sunday also.

Joe is well and looking forward to his first leave, Oct. 24, as are the other boys.

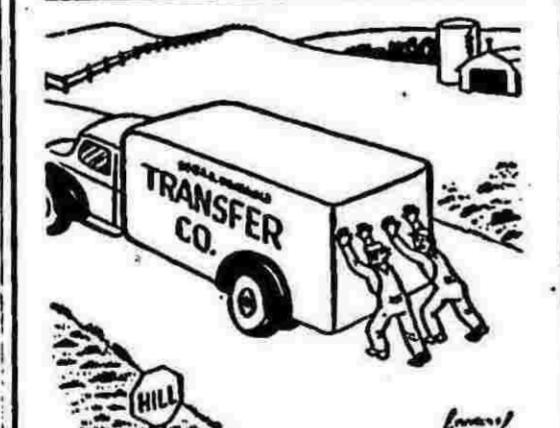

Mr. and Mrs. Edwin Kania, Fort Wayne, Ind., are the parents of a boy, Thomas Lee, born Oct. 2 at the Parkview Hospital in Fort Wayne, and weighing 8 pounds, 8 ounces. Mr. Kania is the son of Mr. and Mrs. Ed Kania, residents of this area.

John Kania underwent surgery in St. Joseph's hospital in Chicago for removal of a brain tumor on Oct. 14.

SARAH DOWELL returned home from St. Therese hospital on Oct. 18. She was a pneumonia patient there for about a week.

Little Cathleen Meyer, granddaughter of Mrs. Ray Meyer, was a patient at Victory Memorial hospital last week.

Cleveland Folks Are Visited

By Mrs. Anna Lyons
Solon Mills Correspondent

SOLON MILLS—Mr. and Mrs. Ed Benson and son, Merrell, drove to Cleveland, Ohio, last week to visit their son, Lowell, and his wife and little daughter. She is the Benson's only grandchild and they always look forward to seeing her with much pleasure.

Early last Friday morning a car took a high dive at the end of the bridge on highway 12 and really cut the trees down. Broken was the last post on the guard rail.

Passing people thought the lights on the car were from someone using them for fishing. The person in the vehicle was not identified, nor was it learned whether he was injured.

Mrs. Leo Karls of Richmond called on Mr. and Mrs. Ed Cropley Thursday afternoon.

Our high school boys and girls were all smiles again last Friday night when they beat South Beloit 13 to 12 at football. Not a big margin, but enough to put them ahead.

Mr. and Mrs. Van Every have put in a new picture window in their home here. It faces the writer and I enjoy looking at it very much. Thanks for a nice view.

Mr. and Mrs. Ed Cropley left for

their yearly trip to Florida last Saturday morning. Is there a bit of envy in the air? M-m-m I wonder. We would all like to go but bless you folks that can go and do have a good winter, and also a healthful one. Someone has to shovel the snow. They left by train from Chicago and will go straight through to Orlando. Their address is 436 Lexington, Orlando, Florida.

'School Is Out' Friday, Oct. 23; Teachers Meet

"School will be out" in Antioch and vicinity as well as other parts of Lake county Friday, Oct. 23, for the fall Illinois Education association meeting to be held at Waukegan East and Highland Park high schools.

"Tomorrow Was Here Yesterday—Where Are You?" has been selected as the theme for the annual meeting of the North Lakes Division of the Illinois Education association.

Meetings of elementary and junior and senior high school teachers will be held simultaneously at Waukegan East and Highland Park respectively.

The elementary teachers will be addressed by Dr. Louis Kottmeyer, assistant superintendent of the St. Louis, Mo., school system.

Dr. Kottmeyer has achieved nation-wide recognition as an expert in Language Arts programs at the elementary school level.

Dr. Eugene Youngert, former superintendent of the Oak Park-River Forest high school, will address the junior and senior high school teachers.

Dr. Youngert was an active participant in the Conant studies and has recently completed a six-month study of secondary schools in four West European nations.

Following these principal addresses, the teachers will participate in discussion groups in order to determine the implications of current and future trends in curriculum as they affect the schools in this area.

Elementary teachers will separate according to grade level taught; high school teachers will participate in discussions related to subject field specialization.

In the afternoon a workshop for delegates to the Representative Assembly, the governing body of the North Lakes division, will be held at North Chicago high school.

BOWLING

Bi-State League

Thursday, Oct. 15

Mighty hefty shooting by Tom Atwood and Ed Slavik, who toppled the pins for 629 and 609, respectively, spiced the Lakes Co. team to a triclete over Roepenack Masonry. Lakes Co. shot high team series of 2853, and this makes 10 in a row for the Lakes team.

Gordon's Weatherstrip also made

a clean sweep over Cunningham Cartage. Ed Neiting had a 563 for the winners.

Beauti-Vue Products took a pair

from J. Gaa & Son, with the consistent shooting of B. Couch, 588, B. Schivinck, 573, R. Breul, 570 and John Vasta, 559. Gaa's shot a mid-game of 1050 against Beauti-Vue's 1004. Tough game to lose. Kraft had a 581 for the Gaa's.

Ted Ozga shot a big 602 and sparked Haydon Homes to a couple

of wins over Randolph Turkeys. Louis Rudolph had a 570 for the Turkey Birds.

Ken Kirchmeyer's 626 and Bill Graham's 586 series were instrumental in Kirchmeyer's double victory over Adolph's Channel Inn.

Jim Mueller's 607 and Bob Bywell's 589 highlighted the Adolph team. Frank Wegner had a big 612-243 for Carter's Taxidermy who took two from Von Construction. Romie Von had a 622.

*fresh new beauty
from the only car with
Wide-Track wheels!*

A car is a living thing.

And all living things must change.

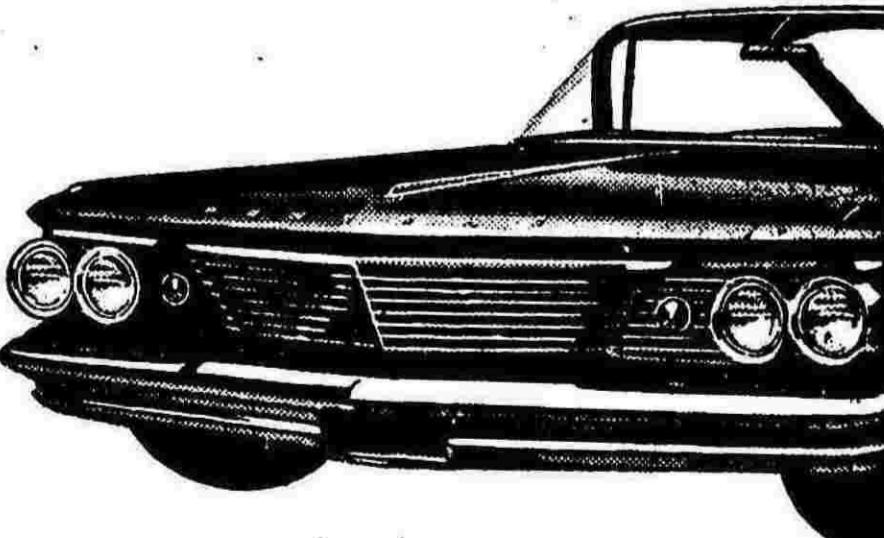

This is why the creative car builders of Pontiac took the proved principle of Wide-Track Wheel Design and surrounded it with fresh, exhilarating, totally new beauty for 1960.

The prow is styled for excitement.

The horizontal bars bear the artistry of the classical.

The perfect profile comes from just-right proportion, unity, rhythm.

The clean, graceful back contributes character where other cars seem only to reflect confusion.

Its effect upon your attitude toward driving and owning cars can be quite radical.

For you cannot possess this automobile and be anything less than lighthearted. You cannot control it and be anything less than sportive about driving.

You cannot be seen in it and be anything less than buoyantly proud.

Paddock Lake Weed Control Job Planned

PADDOCK LAKE, Wis.—A dance to be held in the Paddock Lake club house this week Saturday evening will be another link in a project started not long ago—control of weeds in the lake.

The dance will be sponsored by property owners of Paddock Lake. Refreshments, music and prizes also will be featured.

Ninety-six acres of Paddock lake were sprayed with a weed-killing, 10-parts-per-million spray of sodium arsenite earlier with better fishing, better boating and better swimming as goals.

The chemical, harmless in its light concentration to fish life, may be a source of severe irritation to any persons who make a direct contact with it, but the activity of the chemical fades in about two days.

Don Klapper of the Paddock Lake Lumber Co. headed the citizens spraying committee earlier and once again is a leader in the project.

Eight barrels of the chemical were sprayed across surfaces of the lake and channels earlier this year.

Fritz Paulin, district fish manager, supervised the operation which extended over most of the daylight hours of a single day.

The weed-kill project was launched by Paddock Lake businessmen this past spring after a proposal a year ago this fall that fish in the lake be poisoned to eliminate a surplus of stunted bluegills.

A protest to the poisoning came when numerous residents of the area revealed the lake contained a sizeable population of almost trophy-sized largemouth and smallmouth bass.

Businessmen contend the killing of weeds at Paddock lake will eliminate the weedbed shelter of the small bluegills and permit predation of the small fish by the big bass and northern known to exist there.

Cleaner and better beaches and shorelines, clearwater channels and greater boating access to all parts of the lake are expected.

Future 4-H Leaders Plan Salem Session

SALEM, Wis.—Members of the Future 4-H Leaders club will meet at 8 p.m. Thursday, Oct. 22, in the Salem Center grade school on highway 83 just south of Salem for its October session.

Wilmot Road Job Planned

WILMOT, Wis.—Kenosha county is considering plans to straighten out the Wilmot road as it runs west from Fox river through that village, highway commissioner Harold H. Herzog disclosed late last week.

Members of the county board of supervisors, local officials, Kenosha traffic safety committee representatives made a tour of the county by bus.

Among the places inspected was the west end widening project of county trunk C from the Fox river near Wilmot to Trevor.

It was during this tour that Herzog disclosed the plans for straightening the Wilmot road.

Among the places visited during the day long tour was the county garage near Silver Lake where a new roof installed on the auxiliary storage shed was displayed.

Supervisors and officials learned while inspecting the 50-acre county gravel pit in Brighton township that the pit has produced \$30,000 worth of gravel in its first three years of operation.

The tract was bought at a cost of \$43,000.

Blind Lady Discusses "Leisure" At Antioch Woman's Club Meeting

The Oct. 19 meeting of the Antioch Woman's club was held Monday at the fire station.

After a short board meeting, Mrs. William Brook called the regular session to order.

Mrs. Ted Larson, program chairman, introduced Laddie Shunneson, Antioch Township high school student, who was sent to the conservation camp at Springfield this last summer by the Woman's club.

His talk on his activities was very interesting. He told the club members he is taking a correspondence school course in taxidermy, and brought along some of the animals he had stuffed, a pheasant and a badger being the most prominent.

Mrs. Larson then introduced the speaker for the day, Miss Norine McNichols, philosopher and humorist. Her subject for the day was "About Leisure."

In conjunction with her talk, James E. Corrigan, department

chairman of visual aids at the high school, presented a film from RCA Whirlpool, which Miss McNichols had brought with her.

She was accompanied by her constant companion, "Nipper," her Seeing Eye Boxer dog.

Mrs. Ray Bruhn, social chairman, presented each member attending with individual name plates. These were worn for the first time and greatly helped members to become better acquainted with each other's names.

Hostesses for the day were the Mesdames William Meyer, George Bacon, C. W. Pflager, George Hawkins, Ann Kopriva, Raymond Bruhn, Gust Mantis, Harry Green and William Cooper.

The Nov. 2 meeting also will be held at the fire station.

\$600 Is Raised By Smorgasbord

Antioch Grade School PTA met Monday evening, with Mrs. Paul Messenbrink of Libertyville as its speaker. As president of the Lake County Council of PTA, she spoke of the functions of the organization in the home, school and community.

She said that PTA is the largest volunteer organization in the country with 11 million members.

She closed her talk by dividing the 68 persons present into "buzz groups" which selected questions to ask her.

Mrs. Jessie Close reported from the ways and means committee that \$601.96 had been raised as profit from the smorgasbord dinner of Oct. 10.

Mrs. John W. Horan, membership chairman, reported that 240 memberships had been paid.

Room count was won by Robert Price's seventh grade. There was a second place tie between the sixth grades of Miss Sue Wolfenbarger and Herbert Rose.

Refreshments in Halloween motif were served by Mrs. Marlyn Heath and Mrs. Jack Sobe and their committee of seventh grade mothers.

Garden Club To Meet At Oschmann Home

Monday, Oct. 26, at 1 p.m. will be guest day for the Antioch Garden club, which will meet at the home of Mrs. Fred Oschmann, Lake Catherine.

The speaker, Mrs. Albert D. Farrell of Lake Forest, will present a program titled, "Tussie Mussies." She will tell about herbs and show slides of her own garden.

All members will surely want to bring a guest to this interesting program.

WSCS Circles To Meet Wednesday, Thursday

The afternoon WSCS circles of Mrs. S. Boyer Nelson and Mrs. Sam Ries will meet at 1 p.m. Wednesday, Oct. 28, at the home of Mrs. Olive Burke on Spafford St.

Mrs. Robert Liess' and Mrs. Ernest Glenn's circles will have their meeting, also at 1 p.m., on Thursday, Oct. 29, at the home of Mrs. McAlister Irving, 333 Harden St.

Women Of Moose

Star recorder, Una Fox, was in charge of the program for Star recorder chapter night last Thursday.

Her guest for the evening was Katherine Reinke, star recorder from Waukegan chapter.

She spoke about duties and responsibilities of a recorder, and how one can become a Star Recorder.

Visiting dignitaries from other chapters were: Imogene Ruchstahl from Crystal Lake, the new deputy Grand regent of the State of Illinois; Marie Stenger, from Rockford, a member of the grand council, and former grand recorder, Teria Maguson, of Rockford.

Imogene Ruchstahl told about the upcoming convocation of the Women of the Moose, which will be held at Woodstock high school on Sunday, October 25, at 1 p.m.

Junior graduate regent Mae Palmer of Antioch Chapter 735, will be capped with her green beanie on that day. All co-workers and potential candidates are welcome to attend.

59 co-workers were present for star recorder chapter night. The 10 guests present represented chapters from Crystal Lake, Waukegan and Rockford.

Star Recorder, Una Fox, welcomed Rose Lockwood, who was enrolled on that night, sponsored by Gladys Schroeder.

Due to the excitement, and pleasure of the unexpected and unofficial visit of the distinguished guests at star recorder chapter night, one important announcement was overlooked.

There will be a children's Halloween Party, sponsored by the Loyal Order of Moose of Antioch on Sunday, Nov. 1, at the Moose home.

The time will be from 2 to 4 p.m. Games will be played, and prizes

Channel Lake Notes

Mrs. John Ulbrich, Lake Ave., has been ill and confined to her bed for some time. She would appreciate visits from friends and neighbors.

The time passes slowly when one can't get out. If you can't find time to call, send a card. Her address is Rt. 3, Box 361, Antioch.

Also, if anyone knows where a large size wheel chair could be borrowed for her use, it would be a great help to her family.

The Couples club met at the home of Mr. and Mrs. Frank Hennig on Oct. 14. Present were Mr. and Mrs. Clarence Spiering, Mr. and Mrs. Robert Hess, Mr. and Mrs. William Frey, Mrs. Lois Liess, and Mrs. Katharine Archer. Pinochle was played and Mrs. Hennig won first prize. Refreshments were served.

SEAMAN FRED BREITAG will finish his navy duty on Nov. 9 and expects to be home by Thanksgiving.

Dale Bartley was involved in an accident Oct. 18 at Richmond road and Route 173. No one was injured but both cars suffered quite a bit of damage. Bartley was waiting to pull out on to Route 173 from Richmond road, when an out-of-town driver pulled into Richmond road and stopped to ask directions at Chase's Service station. As the driver turned to re-enter 173, he crashed into the front end of the Bartley car.

Little Joan Bjork is suffering from a broken elbow, which she sustained when she fell over a bike.

Seaman Dick Rogers was home for weekend leave on Oct. 24, from Norfolk, Va.

RAILROAD FEATHERBEDDING:

\$500,000,000 LOSS
TO THE NATION—INCLUDING YOU—EVERY YEAR

Featherbedding on the railroads — pay for work not done or not needed — is costing the American people the shocking total of more than \$500,000,000 a year.

You pay for it every time you shop, because featherbedding costs are hidden in the price of everything you buy.

Obsolete union work rules, involving the railroad operating employees, are responsible for this gigantic burden. Right now, for instance, these rules require every diesel locomotive to carry a fireman — even though diesels have no fires to stoke, no boilers to tend.

The forthcoming negotiations between the railroads and the unions are urgently important to the whole nation.

In asking the unions to drop these featherbedding rules, all the railroads ask for is a fair day's work for a fair day's pay.

Cancer Study To Open Here

Over 500,000 American families will take part in a six-year cancer prevention study conducted by the American Cancer Society and 1,500 of these families will be from Lake county.

The study will record how people live, where they work, what they eat and drink, what their personal habits are, where they live, their illnesses and symptoms of illness, their family background.

Responses to questionnaires, which will be confidential, will help cancer research scientists in a long-range study of the influence on such environmental factors in the development of this disease.

Twenty volunteer group leaders have been chosen for Lake county and each of these will select 10 other volunteers.

These 200 researchers will each enroll 10 families in which at least one member is over the age of 45. Everyone in the family over 30 will be asked to fill out the questionnaire.

To keep the answers strictly confidential, each participant will seal his questionnaire in an envelope to be transmitted to the scientists conducting the study.

The family enrolled will be followed for six years by yearly follow-up questionnaires. Cancer cases that occur will be studied in relation to information supplied by the questionnaires.

People can serve by cooperating with group leaders in the Antioch community, Mrs. Roman Vos and Mrs. C. F. Spiering of Antioch.

Or one can contact the Lake County chapter of the American Cancer Society, 228 N. Genesee St., Waukegan, by volunteering to be a researcher, and by cooperating with the volunteer researcher who may visit during the first week in November.

Each researcher will ask only families he knows personally to fill out the questionnaire.

Do not fill out a questionnaire for a stranger.

Talk on Europe Slated Sunday

Rev. Paul B. Peterson, F.R.G.S., president of the Eastern European mission, an interdenominational missionary organization with international headquarters in Pasadena, Calif., will speak on "Millions of East Germans flee Communist Tyranny" and "Europe—World's Basic Problem"—a professionally produced feature length documentary sound-color film on Europe, in Odd Fellows hall at Antioch (above Gamble store) at 11 a.m. and 7 p.m. Sunday, Oct. 25.

These services open to the public will be sponsored by the Evangelical Free church.

Having been associated with missionary work in Europe for 39 years, during which he has ministered in nearly all of its countries, Rev. Peterson is well posted concerning conditions there.

During his 1959 survey of Europe he conferred with Christian leaders in Italy, Greece, Yugoslavia, Austria, Switzerland, Germany, Holland, Belgium and England.

He was much encouraged by the progress of the gospel in Greece, Holland and Belgium and deeply moved by the oppression and suffering of Christians in Yugoslavia. The spiritual need of the thousands of refugees still streaming into West Berlin from the Russian Zone of Germany, a large percentage of whom are young people, affected him greatly, he said.

Pick Mrs. Queen To Lead Census

Appointment of Mrs. Charlotte A. Queen of Antioch as a crew leader for the 1960 census of agriculture was announced by Field Director Theodore F. Olson of the Census Bureau's regional office at Chicago.

Mrs. Queen will direct a force of census takers who will canvass all farms in Lake county.

Before assuming her post, she will go to Ottawa, Ill., where she will receive five days of training by a member of the census bureau's staff.

Topics to be covered include procedures for recruiting of census takers, census taker training, canvassing methods, preparation and submission of reports and the supervision of census takers to insure a complete and accurate count.

After completing her training, Mrs. Queen will return to her district where she will spend several weeks recruiting census takers, and training them in preparation for the start of the field canvass on Nov. 11.

Local Man Is Hired

Alexander "Al" Malowski of Oakwood Knolls near Antioch has been hired as a compositor-printer for Zimmerman & Sons, Inc., in Burlington, it was learned this week. Malowski has been a printer or in allied fields since his war service record with the marines in World War II. He is a native of Chicago.

Thom-Eric Is Granted Charter By Illinois

SPRINGFIELD — Thom-Eric Corporation, Wisconsin, Box 27, route 1, Antioch, Ill., has been issued a charter as a new "foreign" corporation by the state of Illinois.

Stated capital in Illinois was set at \$1000 and paid in surplus was set at \$1,000. Registered agent listed in Illinois was Edward C. Jacobs, Antioch attorney.

Listed as president was Marilyn F. Erickson of route 1, box 191, Salem, Wis., and secretary was given as Ronald Roberts of Kenosha, Wis.

Business of the firm was listed as construction and remodeling.

Jim Erickson of route 1, box 27, Antioch was listed as correspondent.

These services open to the public will be sponsored by the Evangelical Free church.

Antioch News Chosen By Firm

Once again the Antioch News has been selected to participate in a nation-wide newspaper advertising campaign conducted by the makers of Oregon Saw Chain.

The campaign began this week in midwestern states.

The ads are appearing in 559 publications, representing the cream of the weeklies and dailies in the mid-

In almost all cases, newspapers nation-wide newspaper advertising which helped in the Oregon Saw Chain ad drive of 1958 will again be running advertisements.

The main reason for this repeat action is the success of last fall's campaign. The 1958 sales results indicate that local newspapers are indeed a key advertising medium.

'Go, Cart, Go' Newest Craze In This Area

The old beatnik expression, "go man go" has been changed to Go Cart, Go. Another sport has entered the nation's picture and may even come to Antioch shortly.

Some time ago, an industrious father went to work and constructed a small four wheel cart powered by the old worn out lawn mower engine, so junior could go flitting around the sidewalks, the envy of all his pals.

The only trouble was, junior couldn't ever get a chance to use it because father was doing most of the flitting.

Since then several clubs across the nation have sprung up and have even been given a name, Go Cart. There are even some companies that are now building Go Carts for sale on the retail market.

The cost extends from \$125 to \$250 depending on what size you desire and how fast you want to go.

The ambitious "do it yourselfer"

will probably want to construct his own. The carts are powered by anything from old chain saw 2 cycle engines to higher powered four cycle outboard engines.

Using a chain drive arrangement the larger carts attain speeds of close to 70 mph. The more conservative enthusiasts are contented with a relatively slow 30 to 35 miles per hour speed.

Most of the clubs, usually father-son organizations, have set up regular racing classes ranging from the smallest and slowest to the larger and faster.

Ray Toft and Mel Wohlfel, both of Antioch, are attempting to get a club started here and already have found many interested parties.

According to Toft, if enough interest can be generated, a club of this kind could be formed and a place to grade and oil a track would have to be found.

It would be a chance for anyone between the ages of 7 and 70 to participate in a safe and exciting sport.

Anyone that may be interested in taking an active part in the club is requested to call Toft at 55J or stop in and see him at Ray's Shell Station, Lake and Broadway.

But for a bad break in the closing moments of the fourth quarter when Antioch still led 12-7, the Sequoits might have pulled a major upset in Northwest Suburban conference contests this season.

As it was, one touchdown by the visitors was called back due to a penalty so one might say the Sequoits scored three times, although only two counted.

EVEN SO, it was the first time that Round Lake had been scored upon in conference games this season.

The Panthers of Round Lake roared 135 yards in two sustained scoring drives, much of it in the fourth quarter, to bring about a victory. An extra point place kick by Ron Schmidt provided the one point victory margin.

It was a tough loss for coach Bob Walther's Fighting Sequoits who had dominated all the first half and all but few moments of the third quarter.

A 42-yard pass from Dick Wolf to Chip Eberman brought the first touchdown of the game and for the Sequoits and stunned the Round Lake supporters as well as coaches and players.

A placement for the extra point was wide and Antioch led 6-0 as the half ended.

The same combination also worked in the third quarter, this pass play covering 32 yards for an Antioch touchdown. Once again a place kick for the extra point was wide but the Sequoits held a 12-0 lead.

THE LOSS of Bob Martin, rugged guard for the Antioch team, due to injuries, hurt the visitors defensively in the final quarter.

Antioch led in every statistic. The Sequoits made 11 first downs to 4 for the Round Lake team and covered 124 yards to 56 for the home team in rushing.

The Cardinal and Gray team completed six out of 12 pass attempts for 94 yards and a pair of touchdowns. Round Lake completed six passes out of eight tries for 59 yards.

A blocked punt by Round Lake in the first quarter gave Antioch high a scare but the Sequoits stopped the home team before it scored.

Round Lake end Glenn Sherman, pounced on an Antioch fumble in the fourth quarter to stop an apparent Sequoit touchdown march and the home towners were off to pay dirt from the Round Lake 40.

DON REINHOFER finally went across the goal line from the Antioch 5. Ron Schmidt converted, and Antioch still led 12-7, with less than 45 seconds to play in the game.

A penalty hurt Antioch in the closing seconds of the game as it tried to control the ball and the Sequoits finally gave up the ball on downs on the Round Lake 35.

Three clutch aerials completed by Mike Wake kept the Panthers moving and a final one good for 17 yards to Sherman spelled doom for Antioch, as Sherman landed on the one.

Reinhofer punched over for the winning TD with less than 35 seconds to play in the game.

Locals To Play At Ela-Vernon Saturday, 2:30

By Henry Green, Editor

ROUND LAKE—Antioch high's grididers rose to new heights last Saturday afternoon, putting on an offensive that stunned their foes and scared the daylights out of them for three quarters before losing 13-12.

A Round Lake coach standing next to us at the game commented early in the game, even before the Sequoits had scored, that "they (Antioch) are good."

The Sequoit defense, especially in the line, was hard to crack most of the game and it took a good line to stay the running Panthers.

Individual high series went to Louise Fernandez, who had games of 157-219-150 for a total of 526.

Jo Ann Quilty was second high with games of 135-215-157—507.

High team series was rolled by Lakes Co., on games of 810-761-729

for a total of 2300.

But the Panthers were more than equal to the occasion, throwing back the "invaders" for a 10-yard loss in the following series of downs and thus stopped the threat.

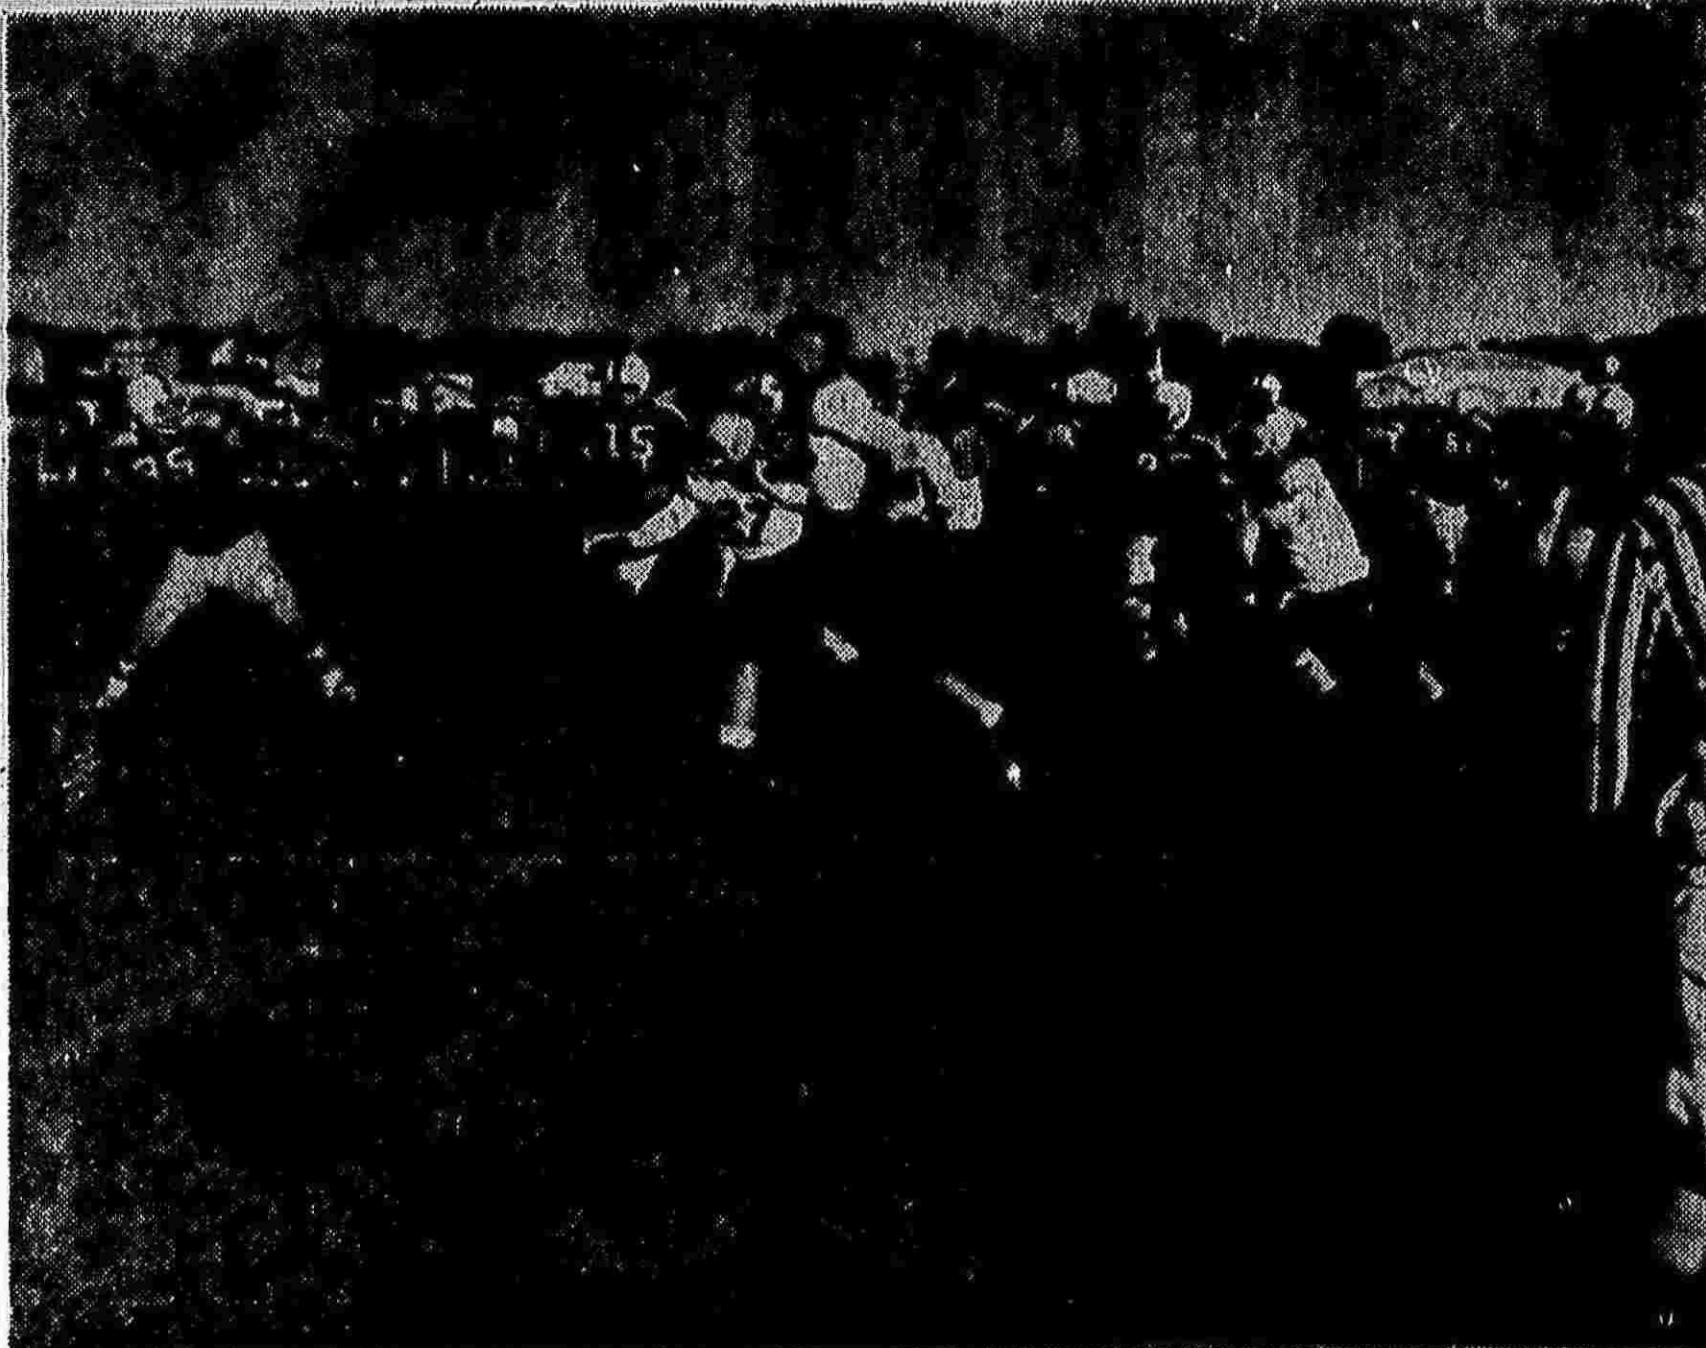

The home team came back in the closing moments from its own 23 to move 50 yards in four plays but the final buzzer quashed their drive.

The Panthers did move inside the Elkhorn 20 yard line in the third quarter but the fourth stanza spore by the Elkhorn 11 was the only big threat by them all the evening.

Garry Held ran 25 yards in the first quarter to start what looked like a big Wilmot drive, but a penalty ended this. Ratchek broke into the clear for 29 yards once before being hauled down.

FIRST DOWNS for Wilmot totaled 6 in rushing and 2 by passing, while Elkhorn made 12 and 1 respectively.

The Panthers gained 110 net yards rushing and 41 passing for a total net gain of 151 yards. The Elks were credited with 190 yards on the

Ela-Vernon 11 Defeats Grant In Loop Game

By Jim Glendenning
Grant High School Reporter

FOX LAKE—In one of the most thrilling Homecoming football games at Grant high school in many years, Ela-Vernon edged the battling Bulldogs 24-21 in a Northwest Suburban conference game last Saturday evening.

Grant's chance for victory was hampered by two Ela-Vernon touchowns early in the first quarter.

The Bears received the opening kickoff and launched a continuous drive of 64 yards to paydirt when Art Huerth passed to Johnny Hunsaker for the final 40 yards.

NOT LONG afterward Bill Kollars broke through to block a Bulldog punt and then scampered 31 yards for the touchdown.

Grant bounced back on a spectacular 60 yard dash by Ken Goebel, Eddie Coats added the extra point and at the end of the first quarter Ela-Vernon led 21-7.

Twelve more points were added by the visitors in the second quarter. A 55-yard pass play from Hunsaker to Jimmy O'Neil scored one and the other was registered on a Hunsaker to Mark Hutchinson lateral.

The Bulldogs crossed the white line once in the second stanza when Chuck Haiman set it up on a 40-yard kickoff return to set the ball on the Bear 8 yard line. Dean High crashed over from the 6 and Coats added the extra point, to make the scoreboard read Ela-Vernon 24-14 at the half.

FINAL TOUCHDOWN of the evening was racked up by Grant when Ernie Smolick scampered 53 yards. Gary Schlundt added the extra point and the bulldogs were behind but 24-21.

GRANT'S last scoring chance in the game came with 3 minutes to play, but this was rubbed out by fumbles and time ran out with Ela in possession of the pigskin.

It is interesting to note that Ela-Vernon did not make a single point after touchdown and had Grant been able to score again, the lack of such extra points could have decided the contest in favor of the Bulldogs.

Standouts for the home team in the game were halfback Smolick, guard Ed Schlieff, tackle Chuck Relity, linebacker Coats and halfback and end Ken Goebel.

Coats was injured and Schlundt did the kicking duties after he left.

Antioch Majors Friday, Oct. 16

Antioch Lumber & Coal Co. had high team series, with games of 936-1006-920—2862 total. Cermak's Real Estate also had a nice total of 2837, with games of 1053-842-942.

Chuck Huber of Cermak's had games of 235-172-213—620. Marv Shepard had games of 182-238-190 for a total of 610. Ray Horan had a 603 total, John Angeloff, 602, Carl Neuman, 601, and Bernie Schneider 601.

Volo Bait Shop beat Rausch Bros. all three games.

Spring Valley C. C. won two games from Marty's Club Villa.

Mark Turner's won two from Garwood Laundry.

Antioch Lumber & Coal won two games from Miller Insurance.

Tiede Insurance won two from Blumenschein Excavating.

Cermak's Real Estate won two games from Joe & Helen's.

Emmons Team Wins By 18-0

Previously undefeated English Prairie grade school went down to defeat before the superior air and ground attack of the Emmons grade school Indians last Thursday 18-0 on the Emmons school football field. This was a Spring Valley Grade School league contest.

As in previous games, the Emmons' passing attack was sparked by Bill Alm, who in scoring two of the three team's touchdowns, made all but end runs.

Larry Sullivan scored the third TD on a pass from Alm at the 20-yard stripe.

With the loss by St. Peter's (of Spring Grove) team to Lotus school 18-0 at the St. Peter's field last Saturday afternoon, the Emmons Indians clinched the Spring Valley grade school conference title.

Runner-up in the league was English Prairie with 2 wins, 1 loss, and 1 tie. St. Peter's and Lotus finished in a tie for third place. Spring Grove occupied the standings cellar.

Presentation of trophies to the champions and the second place team will be at Emmons grade school on Wednesday, Oct. 28.

Wilmot Ties With Elkhorn In Loop Game

WILMOT, Wis.—There wasn't too much to shout about at the Wilmot-Elkhorn football game last Friday evening—except some pretty scenery in the persons of the Homecoming queen in her court.

The result dropped the Wilmot Panthers into a tie in the conference standings with Whitewater and Mukwonago for fourth place. Elkhorn is in last spot.

Big gainer for Wilmot was Jim Ratchek with 71 yards gained in 15 tries, while Gary Held made 35 yards in 10 attempts.

THE ELKS almost stunned the large crowd by going from its 25 to the Wilmot 13 for a first down with about two minutes to play in the game and seemed on their way to a touchdown.

But the Panthers were more than
